ASSISTED LIVING OPTIONS

Community Based Residential Facilities (CBRF)

A facility where five or more adults reside who are not related to the operator or administrator, do not require care above intermediate level nursing care but receive services that are above the level of room & board, including but not limited to, assistance with bathing, toileting, mobility, nutrition, etc. with no limit on the number of hours for personal care services. They cannot provide more than 3 hours of skilled nursing i.e. RN/LPN, care per week per resident. CBRFs can range in size from 5 to 257 beds & may be private or public, for-profit or not-for-profit, but all must be licensed under Wisconsin DHS Administrative Code.

See page 9 for a listing of CBRFs in Fond du Lac County

Residential Care Apartment Complexes (RCAC)

A facility where five or more adults reside that consists of independent apartments, each with an individual lockable entrance and exit. Each must have a kitchen, including a stove (or microwave oven); & individual bathroom, sleeping & living areas. Services offered could include housekeeping, laundry, bathing, meals, etc. RCACs are limited to providing no more than 28 hours per week total of services to each resident. Some apartment communities identified as RCACs through Wisconsin DHS may be a combination of completely independent residents and those that do use services offered that they need. RCACs can be a stand alone facility but may also be a physically defined & distinct part of a structure that is a skilled nursing home or CBRF.

See page 10 for a listing of RCACs in Fond du Lac County

EVIDENCE-BASED PREVENTION CLASSES

“Living Well with Chronic Conditions”
Purpose: To help older adults become better self-managers of their chronic conditions.

Length of class: Workshop is held once a week for six consecutive weeks for 2 ½ hours. Attendance at all 6 classes is recommended. Workshop is held once a year. The dates will be announced.

Classes include: Classes are highly participative, where mutual support and success builds participants’ confidence in their ability to manage their ongoing health condition.

For more information contact: FDL County Senior Services – 920-929-3114.

“Stepping On”
Purpose: To help older adults lessen the risk of falling. Stepping On classes are held for 2 hours per week for 7 weeks. Information is provided about safe footwear, light exercises to improve strength & balance, safety while out & about, how vision affects falls, medication management, research on Vitamin D & calcium & much more

Eligibility: Class members must be at least 60 years of age and reside in their own home or apartment. Participants must also be able to stand and walk on their own.

Cost: Free

Contact: Stepping On is sponsored by the Falls Coalition of Fond du Lac County. To register for an upcoming class, call (920) 929-3466.
FAMILY CARE PROGRAMS

PURPOSE:
Family Care has three major organizational components:
1. **Aging and Disability Resource Centers (ADRC)**, designed to be a single entry point where older people and people with disabilities and their families can get information and advice about a wide range of resources available to them in their local community.
2. **Managed Care Organizations (MCO's)**, manage and provide services tailored to each individual’s needs, circumstances and preferences.
3. **IRIS** is a Medicaid long-term support, self-directed program in which you make your own decisions about your life, including how to spend your days and the types of support/assistance you need.

ELIGIBILITY:
- Must be in the primary target group of frail, elderly people with disabilities or people with developmental disabilities
- Must meet functional and financial eligibility
- Must be a resident of Fond du Lac County
- Is a voluntary program

COST:
Some people may have a cost share for services based on financial eligibility

Home Health Care is predominantly intermittent skilled nursing care certified by a physician to be medically necessary. It is provided in a home setting to a homebound person. Services may also include speech, occupational and physical therapy. Could possibly include home health aide services, i.e. bathing assistance, only if other skilled services are physician ordered. The following providers are Certified for Medicare, Medicaid programs as well as some private/commercial insurance plans. Some may also be certified for Veterans Administration. Patients can also privately pay for services.

HOSPICE CARE

Hospice care is for people facing a life-limiting illness or injury. It involves a team-oriented approach to expert medical care, pain management, emotional and spiritual care expressly tailored to the patient’s needs and wishes as well as providing support to family members. It could be provided in the patient’s home, nursing homes and other long-term care facilities, freestanding hospice centers and hospitals.

Hospice Care is a covered benefit for those who meet eligibility requirements under Medicare, Medicaid and many private insurance plans.
