Erosion Control and Stormwater Management

Permit Fees & Staff

(For Calendar Year 2009)

I. Applications that Only Require an Erosion Control Plan:

Less Than One (1) Acre Disturbed:	\$100 per site
One (1) Acre or Greater Disturbed:	\$100 per site + \$30 per acre disturbed > 1 acre
Utilities/Open Channel Disturbed:	\$.10 per lin. Foot of channel disturbed

Note: The maximum fee for all permits under this category shall be \$600.

II. Applications that Require an Erosion Control and Stormwater Mgmt. Plan:

Residential Subdivision Plats:	\$35 per lot
All Other Sites:	\$150 per site + \$35 per acre disturbed > 1 acre

Note: The maximum fee for all permits under this category shall be \$1,500.

III. All Permit Applications:

In addition to the above fees, the applicant shall be charged the following fee each time a set of erosion control plans or stormwater management plans must be *significantly* (as determined by the LWCD) revised and resubmitted in order to bring them into compliance with Chapter 27 requirements:

\$35 for sites with less than one (1) acre disturbed area
\$75 for sites with one (1) acre or greater disturbed area

Any project found to be engaging in land development or land disturbing activity subject to the provisions of Chapter 27 County Code that has not obtained an erosion and runoff control permit, shall be charged double the applicable fee listed above.

IV. LWCD Permit Review and Inspection Staff:

Name	Title	Email	Phone
Paul Tollard	County Conservationist	paul.tollard@fdlco.wi.gov	920-906-4680

Note: All fees must be paid at the time of application. If applying for a Preliminary Approval Letter under 17.06(3), one fee will cover both the preliminary approval letter and the final permit.
