Re: Senior Center Update – August

- Thank You! To the Fond du Lac City Council for the Proclamation at the August 28th meeting recognizing September as National Senior Center Month; and for the opportunity to share a little bit about the Center and the people that we serve. We are proud to be a part of the Fond du Lac community.
- Our Happy Travelers had a busy month – venturing to Oneida and Schwartz’s, seeing Mamma Mia at the Palace Theater and Wedding Belles at the Memories Theater. When not out traveling, we are knee deep into finalizing our 2020 trip schedule – stay tuned – it promises to be an amazing year!
- A great time was had by young and old alike at our annual Intergenerational Candy Bar Bingo event.
- The Friends had a successful brat fry at Festival Foods this month. We are grateful that so many people support the Friends organization and their role in supporting our programs and activities.
- Our End of Summer Bash was held this month, and for the 3rd year in a row, featured “Elvis”! We had our raffle drawing, shared a meal, and were entertained by songs of the 60’s. Special thanks to all of the community partners that helped sponsor the event or provided prizes for our raffle. The Lakeside Park Pavilion is a great venue for this event and we look forward to the summer of 2021 when we can rock the new pavilion!
- We celebrated National Senior Citizens Day on August 21st with an ice cream social. As Ronald Reagan stated when creating National Senior Citizens Day back in 1988, “Throughout our history, older people have achieved much for our families, our communities, and our country. That remains true today, and gives us ample reason this year to reserve a special day in honor of the senior citizens who mean so much to our land.” It is our honor and privilege to serve our amazing seniors each day.
