Human Services Committee Report for August and September 2019

1. Donations: In August and September, there was a total of two donations, each for \$160.00. Year to date total for all donation accounts is \$2575.00.
2. Transportation: We transported 26 veterans in August and 24 in September. We did have numerous veterans call for rides, however both of our vehicles were already on the road to different locations than where they needed to go.
3. Veteran Service Commission: In August, we had three disbursements for utility assistance for a total of \$820.30. In September, we had two disbursements, one for a medical bill and one for an auto repair, for a total of \$851.00.
4. Miscellaneous information:
  - a. Mission Act is still causing some problems with some of our veterans. Looking back on my own experiences, it appears the Agnesian billing system has problems having two different insurance sources. When veterans go to an appointment, they need to be attentive when the receptionist discusses their insurance. In my case, I went for an appointment that was not preauthorized to the VA, so it should go on my insurance. The clinic had VA in the system for insurance.
  - b. Conferences: I recently had a one-day conference for the WI Assn. of County Veteran Service Commissions, which focused on how Veteran Service Commissioners can help bolster the effectiveness of the Veterans Service Offices around the state. I also attended the WI Assn. of County Veteran Service Officers fall training conference in Madison. My next event will be the Wisconsin Warrior Summit at Marian University coming up on October 18<sup>th</sup>. I am on the planning committee for that conference, as it is part of the Fond du Lac area Healthy Wisconsin Partnership Program grant through the Medical College of Wisconsin.

Respectfully submitted,

Frederic "Rick" Patton  
Veterans Service Officer
