Public Health
Prevent. Promote. Protect.

**Fond du Lac County
Health Department**

FOR IMMEDIATE RELEASE
MARCH 16, 2020 @ 12:00 P.M

Kim Mueller, Public Health Officer

The Fond du Lac County Health Department will be providing an update on the number of cases when we receive that information. As we do not know when that information will be made available to us, we cannot schedule a time.

We continue to encourage everyone to practice social distancing by keeping a distance of about 6 feet or more from others. Be aware of how you are feeling and how others around you are feeling. If you are sick, stay home from work, wash your hands frequently especially before eating or drinking, dispose of your tissues properly, and clean and disinfect surface areas frequently. Avoid all unnecessary travel.
