FOR IMMEDIATE RELEASE
April, 7, 2020

Kim Mueller, Public Health Officer Issues Public Health Order # 3

With the current pandemic relating to novel Coronavirus (COVID-19), now is the time to assure that actions are taken to reduce the spread of this virus in our county. Therefore, Kim Mueller, Fond du Lac County Public Health Officer, is ordering the closure of campgrounds for the following reasons:

- 1) Draws people from outside of our county to be in our county (increasing population)
- 2) Encourages non-essential travel
- 3) Increases shopping at local stores in our county for supplies and groceries
- 4) Allows for congregating of groups greater than 10
- 5) Reduces the ability to properly social distance, especially in communal locations in campgrounds (e.g.: bathrooms)

This Health Order will remain in effect as long as the Wisconsin Governor's Safer at Home order is in effect (including any extensions of the current emergency order #12).
