60-69: 24 (13.8%)

70-79: 13 (7.5%)

80-89: 5 (2.9%)

90-99: 0 (0%)

HOW WE ARE SEEING COVID-19 SPREAD

In the days prior to individuals becoming sick or while experiencing symptoms, individuals reported attending:

- Family gatherings
- Social gatherings
- Golf Outings
- Gatherings where people are not social distancing and not wearing masks

We continue to see spread between positive cases and other people living in the household/living unit.
