**80-89: 6** (3.3%)

**90-99: 0** (0%)

### HOW WE ARE SEEING COVID-19 SPREAD

**In the days prior to individuals becoming sick or while experiencing symptoms, individuals reported attending:**

- Family gatherings
- Social gatherings
- Gatherings where people are not social distancing and not wearing masks

We continue to see spread between positive cases and other people living in the household/living unit.

Currently, there are 13 active public health investigations.
