RECLAMATION PERMIT TRANSFER APPLICATION

As established in ss. NR 135.28 Permit transfer. (1) A nonmetallic mining permit may be transferred to a new operator upon submittal to the regulatory authority of proof of financial assurance and a certification in writing by the new permit holder that all conditions of the permit will be complied with. (2) The transfer is not valid until financial assurance has been submitted by the new operator and accepted by the regulatory authority and the regulatory authority makes a written finding that all conditions of the permit will be complied with. The previous operator shall maintain financial assurance until the new operator has received approval and provided the financial assurance under this section.
