Mobility Device Access Application and Permit for County Lands

Fond du Lac County Land Information Department
www.fdlco.wi.gov

Notice: Under s. NR 45.05(3)(d), Wis. Adm. Code, the department may authorize by permit persons with mobility disabilities to use a mobility device as a mode of personal conveyance on lands owned or managed by the department. To apply for a permit, complete and submit this form and provide proof of disability to the property manager for the property you intend to access. You are encouraged to contact the property manager to discuss your application prior to submitting this form.

Each permit applies only for the particular Fond du Lac County property identified. Separate permits issued by the relevant property manager are required for use at each individual property. This form may be mailed to Fond du Lac County Land Information Dept., 160 S. Macy St., Fond du Lac, WI 54935 or emailed to land.information@fdlco.wi.gov. Call Fond du Lac County Land Information Dept. at 920-929-3135 with questions. Applications may take up to 30 days to process.

Fond du Lac County complies with the Americans with Disabilities Act [42 U.S.C. s. 12101 et. seq.] and the U.S. Department of Justice rules implementing the ADA. This permit application will be evaluated in accordance with 28 CFR s. 35.137. Fond du Lac County makes its determination after full consideration of: (i) the physical characteristics of the device, (ii) the volume of pedestrian traffic or other uses at the site applied for, (iii) the design and characteristics of the site applied for, (iv) potential safety requirements that could be employed to allow access, and (v) whether the use applied for creates substantial risk of serious harm to environmental, natural, or cultural resources the county manages, controls, or supervises. Fond du Lac County is committed to access and safety for all on lands owned or managed by the county.

Notices: Permittee Understands

- This permit may be revoked for failure to comply with the terms and conditions contained herein or if permittee provides false information as part of the application.
- Use of a mobility device on the permitted area is at permittee's own risk. Issuance of this permit does not constitute a guarantee of safe conditions on the permitted area. Use under this permit is subject to the provisions of Wisconsin's Recreational Immunity Law [s. 895.52, Wis. Stats.]
- Permittee will be held financially responsible for resource damage and restoration that occurs as a result of the use of this permit.
- Seasonal or temporal conditions may require suspension or modification of this permit. The department will notify permittee, in writing where practical, that permitted areas are temporarily restricted.
- Personal information collected will be used for property administration and law enforcement purposes and may be provided to requesters to the extent required by Wisconsin's Open Records law [ss. 19.31-19.39, Wis. Stats.].
- The issuance of this permit creates no right to future access on permitted routes or areas. Each application will be evaluated in accordance with the assessment factors set forth in 28 CFR s. 35.137 and any existing trail or property assessments conducted by the department.
- This permit is valid through December 31 of the year issued, unless otherwise noted below.
